FOUNDATION IN ARTS

PROGRAMME OVERVIEW

Foundation in Arts is an extensive one year programme that aims to expose students into various fields within their core areas of studies to cultivate their critical thinking skills, English language proficiency, and other basic academic literacy.

This content-oriented programme is ideal for students who intend to pursue their degree in Accounting, Business, Management, Social Science, and among others. It also prepares students for a smooth transition into any relevant degree of choice either locally or internationally.

- ✓ Accredited by MQA & approved by Ministry of Higher Education
- ✓ Education Loans & Scholarships Available!
- ✓ Pathway to Degree, Master and Doctoral
