Chinese New Year Celebration

AMC UC students celebrated Chinese New Year at the Student Lounge on 10 February 2026.

The event brought students and staff together to welcome the new year, celebrate Chinese traditions and culture, and share good wishes and blessings throughout the campus.

The lounge was bustling with energy, and a lovely Guzheng performance and an amazing live calligraphy demonstration.

One of the most notable occasions was the "Lou Hei" toss of good fortune, where everyone stood around tossing the ingredients into the air with laughter, bringing laughter and festive cheer to the room.

LHDN VISIT

Lembaga Hasil Dalam Negeri

On 12th February 2026, our students visited Kota Kinabalu branch of the Lembaga Hasil Dalam Negara (LHDN) office for a deep dive into how the government manages taxes & public services. Our students were given a tour on facilities such as the meeting hall, dining room & the front office while also learning about how operations are carried out by the LHDN staff!..

The visit helped students understand the importance of taxation & how it contributes to the country while also giving them the chance to interact with real professional working environments.

Uni Talk

The Uni talk programme was held on 27 April 2026, 11:00 AM at the Student Lounge, AMC UC. During the session students shared their experiences, exchanged advice, and supported each other in a positive environment.

This programme was organised to provide students with safe and comfortable space to discuss the realities of university life. It also focused on common challenges faced by students like stress, assignment, and more.

Orientation

A colourful Student Orientation was held at the Student Lounge from 8:30 a.m. to 4:00 p.m. on 7 April 2026. The purpose of the event was to welcome the new students, ease their nerves, and build a “bridge of friendship” between new students and seniors.

The programme included important information about the campus, motivational speeches by student leaders, and fun ice-breaker games. The orientation was filled with laughter and energy, bringing everyone together and reminding the new students that they were beginning this new journey as one community, where they could support and encourage one another.

BOARD GAME EVENT

AMC University College, Student lounge

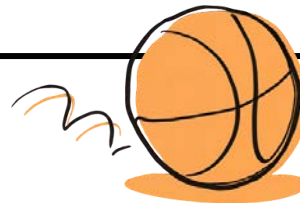

On 29 April 2026, an event was held at the Student Lounge where students, lecturers, and staff could participate in various board games. The Student Lounge was bustling with both casual and competitive players.

The event encouraged everyone to unwind and spend quality time with their peers, emphasising that college life is not only about lectures and studies, but also about creating meaningful memories and building friendships.

This little event also featured a variety of board games and activities, including chess, poker, Beyblade, and many more!

BASKETBALL FRIENDLY MATCH WITH TARUMT

The 3x3 basketball match with TARUMT Sabah Branch was a thrilling friendly match, featuring skilled students who showcased their abilities, teamwork, and sportsmanship.

Both teams gave their best and made the most of their time on the court. Beyond the results, the event provided a great opportunity to strengthen relationships between the campuses, promote a healthy sports culture, and foster teamwork and team spirit among students.

Christian Fellowship

The Christian Fellowship recently met at Eagle 4 from 11:30 a.m. to 1:00 p.m. on 30 April 2026, with the aim of creating a “home away from home” where students could experience spiritual growth and a sense of belonging.

It was a lively and meaningful session featuring inspirational worship, engaging sharing sessions, and fun, energetic ice-breaker games that brought students from different backgrounds together.

Beyond the academic pressure, the laughter and shared encouragement throughout the session reminded everyone that they were not alone on this journey, but part of a supportive community.

VISIT TO HYATT REGENCY KINABALU

On 11th May 2026,

The Diploma in Hotel Management (DIHM) students visited Hyatt Regency Kinabalu for an exciting day of industry learning and hands-on exposure. From leadership-sharing sessions to cooking, barista, and housekeeping demonstrations, the students experienced the real world of hospitality in action.

The visit increased students' interest in the hospitality industry and motivated them to complete their studies and graduate. It also provided valuable exposure to a professional working environment and helped students better understand the skills and expectations of the hospitality industry.

ASSEMBLY

From 11:30 a.m. to 12:30 p.m., AMC University College held a student assembly to brief students on the history and purpose of the institution, as well as its rules and regulations.

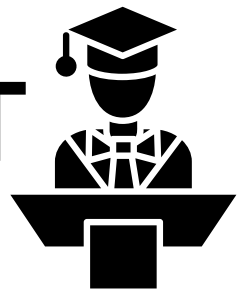

The assembly also addressed the issue of bullying among students and emphasised the importance of mutual respect and good conduct. Students were encouraged to take their studies seriously, stay focused, and make the most of their time at the university.

The key message was: “University is U, and U is University,” reminding students that their choices, attitudes, and actions play an important role in shaping their university experience.
